Medley Events – Conditions

Medley 4BBB events will be open to members of both genders. A pairing may be any combination of genders. The pairings will be in accordance with the order in which the names are entered on the timesheet. There will be no “cross-over” of partners within the group.

Number of Players Constituting a Competition:

Singles events - 12 players to compete.

2 Ball or 4 Ball events - 12 pairs (24 players) to compete.

ONLY AMATEUR GOLFERS ARE ELIGIBLE FOR ANY SCRATCH TROPHY

On Invitation Days Member/Visitor pairings must be maintained, Visitor/Visitor pairings are not permitted.

Golf Committee reserves the right to determine the value of trophies depending on the number of players.

Golf Committee reserves the right to amend tee times and draws, as required for any events including championships, match play or special competitions before the commencement of the events.

Persons under the age of 18 years are not permitted in Restricted Areas, e.g. bar and poker machine areas. Breaches of this rule could affect the Club’s Liquor License.

HANDICAPPING

All players' handicaps will be adjusted in accordance with the system laid down by the Australian Golf Union. Handicaps will be revised (upward and downward) as soon as possible after each competition event.

Three Grades: Domestic Only (Daily Handicap)

'A' – +10 to 13

'B' – 14 to 19

'C' – 20 to 36

Club Championships Only

'A' - +10 to 6

'A Reserve' - 7 to 13

Stroke, Stableford and Par – Full Handicap

Foursomes Stroke - $\frac{1}{2}$ combined handicaps

Canadian and American Foursomes - $\frac{3}{8}$ combined handicaps

Handicap Match Play – Full difference of lowest marker's handicap

Mixed Events – Women – Full handicap on Women's index

All members playing at other AGU golf courses are responsible for playing off their correct handicap, please confirm your handicap with the office before playing away. Please enter competitions under your Golflink Number.

Players should be aware that the maintenance of their handicap is their responsibility, not the golf committee

HANDICAP LIMITS

Massey Park members visiting other clubs are requested to inquire in regard to the limit (if any) in force at that particular club.

Maximum Australian Daily Handicap: 36.0

New Members:

It is the responsibility of the proposer and seconder, immediately a nominee is elected to membership, to see that such new member is introduced to other members, is advised of all rules governing the conduct of the club, and above all is sufficiently advanced on the knowledge of the rules of golf to be competent to perform the duty of marker of a fellow competitor. Please ensure that you play with your nominee until he is so equipped.

Visitors:

Visitors are eligible to compete in only such programmed events as are indicated (invitation and/or open) and those they are eligible to play in at their home club.

For competition purposes a visitor must be a financial member of a golf club affiliated with Golf NSW or similar interstate or overseas association.

Country visitors will be allowed to play in ordinary competitions only if permission to play has been obtained from, either the club's captain, president, treasurer or secretary manager. A country visitor is a member of another golf club who lives not less than 100km from Massey Park Club (Max. 8 rounds per year)

Saturday Invitation Days: 1 Visitor per Member (discretion of the committee)

Time Sheets – General:

Member's names must only appear once on any time sheet. Time sheets should only be altered by the member themselves or through the pro-shop. Member's names from the reserve list **do not** have any priority over others when filling vacant spots on the time sheet.

Early cancellation assists other member in getting a game. When withdrawing from a team event (2 Ball etc) the correct etiquette is to notify the remaining player or players of your withdrawal.

RULES OF THE CLUB REGARDING CONDITIONS OF PLAY

General Conditions:

All events are to be played over 18 holes unless otherwise stated.

In the event of a tie in ordinary competitions, except when the committee decides to divide the trophy, the winner shall be decided by a count-back in the manner laid down by Golf NSW. All major event ties will be decided by a play-off. Trophy events will be decided by count-back.

Members are required to acquaint themselves with local rules. All changes will be posted on the notice boards.

A payment of green fees will be imposed on any member failing to appear or cancelling (less than one hour) prior to their booked-in time on the starting sheet. Failure to pay fees, after 21 days, will result in suspension from golf playing.

Players not complying with the above on three (3) occasions, in any 12 month period, will forfeit their privilege of booking in for golf, prior to the morning of the event, for one calendar month. Further no shows will result in a one-month suspension from all golf playing privileges.

All players should make themselves available to commence golf at least 15 minutes prior to the booked tee time. Players should abide by the starter instructions at all times. Failure to do so may result in a 2-stroke penalty and/or disqualification.

Competition cards/scores are to be entered on the computer kiosk within 10 minutes of completion of the round. Failure to do so = disqualification.

Motorised Transport: The use of motorised transport is permitted in all golf events, unless such transport is not allowed on the course. (Wet Conditions)

Mobile phones are permitted to be used on the course during play when scoring. Ringing/vibrating (**audible**) whether answered or not is not permitted. **Talking** on the phone is not permitted.

Penalty is disqualification.

Mobile phone use in the case of emergency is deemed permissible.

DRESS REGULATIONS

Members are reminded that dress regulations apply whilst playing in any competition event.

Acceptable dress is as follows;

- Collared Shirt or Golf Shirt
- Tailored Shorts or Trousers
- Short Socks
- All dress should be neat and tidy

Unacceptable dress is as follows;

- T-Shirts
- Board Shorts
- Jeans / Denim
- Tracksuits
- Stubbies or Ruggers
- Any Football Gear

Penalties will apply for any failure to be attired appropriately.

Championship Matches – Stroke Play;

In all championship stroke play events, if a tie exists for the scratch score, an 18 hole playoff will take place on a date fixed by the committee. In the event of a tie still persisting after the 18 hole playoff, a sudden death playoff will follow as soon as practically possible (as determined by the committee). The winner of the sudden death play-off will be the player who is the first to hole out in fewer strokes, than his opponent at a play-off hole.

All stroke play, runner-up ties and nett ties, will be decided on a count back.

All players eligible for a championship event must play on the day allocated by the committee or forfeit.

A player must be a full member of the club for a minimum of 3 months prior to the commencement of a championship event to be eligible to compete. New members without an existing Golfink handicap must also have submitted a minimum of 20 cards to be eligible for a championship event.

Match Play Events – Conditions of Competition:

In all match play events, in the event of a tie at the end of the number of holes specified by the Committee for the match, the stipulated round is to be extended to as many holes as is required for the match to be won (Rule 2-3).

Matches **must** be played on dates set down unless otherwise sanctioned by the golf committee.

Members competing in match play are ineligible to compete in a stroke play event of the day – this includes nearest to the pin prizes.

Draw for Tee Times;

Any player withdrawing from and/or failing to appear for any event, after a specified draw for tee times has taken place, will forfeit the right to enter the corresponding event the next year. The player will also be liable for all playing fees that exist. The player may also be suspended from all golfing privileges for one month, if the golf committee deems fit (i.e. Failure to provide a reasonable excuse for not playing).

Draws / Tee times may change prior to the start of any specified event as determined by the golf committee.

AMBROSE

Method of Play:

1. Maximum of four players in each group. The lowest marker is the team captain of each group and hits off last from each tee.
2. All players hit off from the tee, the best drive is selected (longest, best position etc.) to be determined by the captain.
3. Other three players pick up their balls, then each drop their ball within one club length of the best positioned ball, in the conditions as the selected ball, e.g. rough, bunker etc. (no nearer the hole) and play. The player whose ball has been selected is the last to play from the actual spot at which his ball finishes.
4. On a par four it is presumed that at least one player will hit the green in two shots. Bearing this in mind, the following procedure is adopted.
5. The selected ball is normally the nearest to the pin but may be the easiest putt. The other three players pick up their ball and place them one-putters-head length from the spot at which the selected ball is marked.
6. Each group has one score for the hole.
7. As soon as a ball is holed, the other players pick up and proceed to the next tee.
8. The foregoing procedure applies to all holes.
9. The captains of all teams to sign the score cards at the conclusion of play.
10. **Handicap:** 4 players = $1/8^{\text{th}}$, 3 = $1/6^{\text{th}}$, 2 = $1/4^{\text{th}}$.

PLEASE TAKE A SAND BUCKET AND FILL IN DIVOTS POINTS TO REMEMBER

- The lowest marker in each group is responsible for the manner in which the group plays their round of golf.
 - Eg: Observing the etiquette and rules of golf
 - Repairing divot and pitch marks
 - Making good bunkers
 - Accurately scoring cards
 - Playing without undue delay

- In all par or Stableford events, pick up when a score is not possible.

- Don't leave buggies or bags at the front of greens.

- If safe to do so, at your discretion, call up the next group whenever possible.

- Study your line on the putting green while others are putting. You do not have to move about to do this, but you have to get to the position of your ball before the first player putts.

- Leave the green immediately the result of the hole has been determined and proceed to the next tee. Don't score your card next to the green.

- Allow the shortest hitters to hit off first before scoring their card. They can score the previous hole while the other players hit off. Be honest about how far you can hit the ball.

- Players searching for a ball should immediately call the following group through, and in accordance with the rules then have three minutes to search.**

- It is not intended for any player to have to rush their shot, but please proceed **directly** to your next shot, at a reasonable pace. Don't stand behind other players and watch their shots before moving to the position of your ball.

- Your position in the field is directly behind the group in front, **not in front of the group behind. The Committee reserves the right to penalise a player and/or group for continued slow play.**

- If for whatever reason you do lose your place in the field, please try and catch up as soon as possible.

Please remember that all players deserve the opportunity to hit off as close to their allotted tee time as possible, whether it is 7.30, 9.30, 11.30 or 12.30. Your assistance in observing the above items may help in making this possible.

CONDITIONS FOR VISITORS PLAYING IN MASSEY PARK MEMBER'S COMPETITIONS

MEMBERS' STANDARD COMPETITION (Generally Saturdays)

Tee Time & Booking Conditions:

1. Must have a Golflink Number with current GA Handicap.
2. Must be a financial member of his Home Club with appropriate playing rights.

Mixed Qualifier 8th June

TEAPOT DERBY

Saturday 21st September

BIRDIE COMPETITION

To be played for every Wednesday (midweek players) and every Saturday, (weekend players) from Opening day to Closing day.

GOBBLER COMPETITION

To be played for every Wednesday (midweek players) and every Saturday (weekend players) from Opening day to Closing day.

BEST SCRATCH SCORE OF THE SEASON

Best Scratch Scores (weekend and midweek) must be recorded during Medal rounds at Massey Park from Opening day to Closing day.

MOST REDUCED GA HANDICAP

Twelve rounds must be played at Massey Park to be eligible. Reductions may be submitted from any Course from Open Day to Closing Day.

SUMMARY OF WOMEN'S RULES AND CONDITIONS OF PLAY

A player should acquaint herself with the conditions under which competitions are played and read all notices before starting play. Players are deemed to be aware of all notices or local rules posted.

All players are expected to acquaint themselves with and observe the rules and etiquette of the game of golf and conform to the standard of dress laid down by the Club.

The Committee reserves the right to alter or make any variations to the Program of Fixtures and conditions of play subject to players being informed prior to hit-off.

All events are of 18 holes unless otherwise stated.

COMPETITIONS

Women holding playing membership and current Golf Australia (GA) handicap are permitted to compete in and are eligible to win women's and Golf NSW (GNSW) events if complying with stated conditions.

Only those players holding full membership are permitted to play on Saturdays, except visitors on designated Invitation Days.

Players participating in women's competitions must play together, within the women's block time, allocated by the Board. Breach of this rule results in disqualification.

Players must be ready and prepared to hit-off 15 minutes prior to their scheduled hit-off time.

Before starting play - each player should record her name on the competition sheet in the locker-room and record any competition fee (check whiteboard in locker room).

In Competitions throughout the season, including the Summer Competition, prizes will be awarded over two divisions where there are 24 or more players. If there are less than 24 then there will be a winner and runner up prize awarded across the field.

A minimum of 8 players must play in the competition of the day for prizes to be awarded.

Care should be taken to mark your card correctly and print details legibly. Ensure that handicap and membership number are marked on the card, start and finish times are recorded on at least one card in the group (see further information below in Speed of Play), and, check and countersign the card at the completion of play. Competition cards/scores are to be entered on the computer kiosk and handed to those on duty within 10 minutes of completion of the round. Failure to do so may result in disqualification. Unsigned and/or cards without handicaps will be disqualified from handicap events but will be used for gross score, and handicapping (as per instructions GA).

SPEED OF PLAY

The lowest handicapped player in each group is responsible for recording the start (when last player has teed off) and finish times (when the last player has putted out) of the group on at least one of the score cards. Failure to do so may incur a 2-stroke penalty to all members of the group. The strokes will be added to the 18th hole scores.

Any group finishing more than 12 minutes after the preceding group may incur a 2-stroke penalty to each player in the group. The strokes will be added to the 18th hole score.

The lowest handicapped player in the group is responsible for the general conduct and progress of her group. If you think you will have trouble finding your ball, hit a provisional ball, as you now only have 3 minutes to search for a lost ball.

On Par 3 holes, when all balls in the group are on the green and it is safe to do so, players should call the following group to play their tee shots. As a guide this should be done if the preceding group is still on or near the tee of the next hole. If you are well behind the group in front, play on QUICKLY without calling up.

HANDICAPS

All players are allocated a GA handicap. The handicap is maintained by Golf Link and is the official handicap to be used for competition purposes. Any queries regarding a player's handicap must be discussed with the Club Handicap Manager.

In the case where a player competes in a competition round before a previous handicap-altering score is processed their correct GA handicap will be the handicap displayed on Golf Link and must be used even if the player is aware of her new handicap.

MAJOR EVENTS

Championships will be in two divisions:

Weekend: Club and Bronze; and, Midweek: Premiership and Bronze.

In addition to the Championships, which are determined on scratch scores, there will be a winner of the best Nett Score in each division over the four stroke rounds for Weekend and Midweek. In the Nett Score competition, player's handicaps for all four rounds will be the daily handicap used in the first round.

The Club Championship and Weekend Bronze is open to full members only. Eligibility for all Championships - Club, Premiership, Bronze, Senior, Veterans and also for the Nett Score is limited to those who have submitted at least 5 single score cards during the period from Opening Day to the first round of the Championships.

Handicap divisions for the Club Championship, Premiership, Bronze Championships and Nett Score will be determined by the Committee after nominations have been received.

Full members may participate in both Weekend and Midweek Championship events in their handicap divisions.

Minimum Numbers for Championships

There must be a minimum number of 10 entrants at the commencement of the first round in each division to be recognised as a Club Championship, Premiership and Bronze Championships. In the event of less than 10 entrants, the Committee will decide on alternative arrangements

Championship Rounds

The Club Championship and Weekend Bronze will consist of four stroke rounds (72 holes in total). The Premiership and Midweek Bronze will consist of four scratch Stableford rounds (72 holes in total). For all the final 36 holes, players in each Division will be seeded. The best net score over the 72 holes will be awarded the Nett Prize.

The Seniors and Veterans Championships will be played concurrently with the first two rounds of the Club and Weekend Bronze Championships. If there are fewer than two (2) players entered for the event, that particular championship will be cancelled.

Match Play Championships

From the stroke qualifying round, the top 8 gross scores will play knock out match play scratch, in two divisions. Divisions will be determined by the Committee after nominations have been received.

Foursomes Championship

All players may nominate to play in either the Midweek or Weekend Foursomes or they may play in both (membership restrictions apply). The first named player must hit off the first tee in Round 1. Players will then hit-off alternate tees for the first 18 holes. In Round 2, the second named player must hit off the first tee ie it is compulsory to change hit off order.

Chick of the Walk

All players may nominate to play in either the Midweek or Weekend Chick of the Walk or they may play in both (membership restrictions apply).

Draw for Championships & Major Events

Any player withdrawing from and/or failing to appear for any of the above events, after a specified draw for tee times has taken place, may be liable for all playing fees that exist. The player may also be suspended from all golfing privileges for one month, if the Golf Committee deems fit (i.e. failure to provide a reasonable excuse for not playing).

Nominations

The cutoff date for Championships and Major Events will be two weeks prior to the date of the event. Players intending to play in these events must place their name on the time sheet available for that event. Late entries maybe considered and requests should be made to the Captain.

Medal Rounds All Medal rounds will be played in two Divisions with a minimum of 4 players to compete in each Division for a Medal to be awarded. Weekend players will go out in Divisions from the lowest to the highest. All weekend Club and GNSW medal rounds will have a compulsory draw.

2BBB & 4BBB Events In the event of one player not having a partner, that player will complete a singles card and at the completion of the round the Duty Committee will draw a player's name from the rest of the field her score to be combined with the singles card. In the event of two players not having partners i.e. 2 groups of three players, the two singles cards will be combined by the Duty Committee at the completion of the round.

TIED RESULTS

For Regular competitions in the event of a tie, except when the Committee decides to divide the trophy, the winner shall be decided by count-back in the GNSW recommended manner. ie Last 9, then last 6, then last 3. This will also apply to the Massey Park Shield event.

In Medal rounds, ties require an 18 hole play-off using handicaps at the commencement of the tied round. All medal play-offs will be played in conjunction with the next Medal round listed in the program. Where there is a tie in the last medal round of the season, the tied winners will play-off for the medal in conjunction with the next scheduled stroke round, or return a stroke card on any competition day decided by the committee.

Match Play including Chick of the Walk and Match Play Championships. Where the match is squared at the final scheduled hole, play will continue from the 1st hole until a hole is won.

Club, Premiership, Bronze and Foursomes Championships in the event of a tie, there will be an aggregate play-off over holes 1, 2 and 3. If still tied, there will be a sudden death play-off starting at the 4th hole without interruption. Ties for runners-up to be decided by count-back.

Nett Prize where players finish the 4 rounds on the same nett score the winner will be determined by a count-back.

MISCELLANEOUS

Whilst mobile phones are permitted on the golf course during an event, it is distracting and inconsiderate. If a player or caddie is in the possession of a mobile phone it should be turned off and not used unless in the event of an emergency. If the phone rings this is deemed to be in use and disciplinary action may be taken against the offending player ie disqualification. If the phone has a distance measuring device facility it may be used, however the 'phone communication' facility should be turned off. In match play, the opponent should be informed if the player plans to use this facility (Golf NSW, 2016).

The use of a Mobile Cart is permitted in all golf events, unless such transport is not allowed on the course (wet conditions).

See full Conditions of Play (posted in the locker room) for further information about all events.

ADJUSTMENT TO HANDICAPS

Stroke: Full Handicap

Stableford and Par: Full Handicap

2 BBB / 4BBB v Par, Stableford or Aggregate: Full Handicap

Foursomes: 1/2 of Combine Handicap

Canadian & American Foursomes: 3/8 of Combined Handicaps

Ambrose:

Teams of four: 1/8 of Combined Handicap

Teams of three: 1/6 of Combined Handicap

Teams of two: 1/4 of Combined Handicap

Handicap Match Play: Full handicap difference

Fourball Matches: The lowest handicapped player of the four players plays off scratch and each of the other players receives full handicap difference between her own handicap and that of the first mentioned player.
